

Southampton FC – Netley Abbey After-School Clubs (Year 3-5 Girls Only)

Dear Parents and Guardians,

We are delighted to confirm that our Southampton FC After-School Club will be returning to Netley Abbey for the 2026–2027 academic year, with registrations now open for the current Autumn term!

Following a fantastic introduction to the school last year, we're really excited to build upon the positivity and momentum created across our first term and a half of delivery. Our girls-only football sessions proved incredibly popular and well attended, and it was brilliant to see so many pupils enjoying their football, developing their skills and growing in confidence each week.

As we begin a new academic year, we're looking forward to welcoming back many familiar faces, while also encouraging new players to come along and experience the sessions for the first time.

Delivered by qualified Southampton FC coaches from 3:20pm through to 4:15pm every Wednesday, our after-school clubs provide a fun, engaging and development-focused environment for players of all abilities and levels of experience. Whether your child already plays football regularly or is looking to give the game a go for the first time, our sessions are designed to provide a positive experience for everyone.

Throughout the Autumn term, players will have opportunities to:

- Develop their individual football skills and understanding of the game
- Build confidence both on and off the ball
- Develop teamwork, communication and decision-making
- Stay active within a fun, safe and supportive environment
- Take part in engaging football activities inspired by Southampton FC players and themes

Our aim is to continue building a positive environment where girls can enjoy playing football, challenge themselves, make friends and develop a genuine love for the game. So, if your child would like to take part, please use the registration link below to view and book the available Southampton FC After-School Club at Netley Abbey:

Spaces are limited and allocated on a first-come, first-served basis, so we would encourage families to book early to secure their child's place.

A huge thank you to everyone at Netley Abbey, as well as all of the parents, guardians and players who supported our sessions last year. We're incredibly excited to build upon that success throughout 2026–2027 and look forward to welcoming both new and returning players for another enjoyable Autumn term of football!

Kind regards,

Jacob Toms
