Year 3 Autumn Term 2

WORLD EXPLORERS!

Reading

We will be learning how to predict and infer using evidence from a range of high quality texts. We will focus on how authors select vocabulary for effect on the reader.

Key Vocabulary – infer, predict, vocabulary, effect, retrieve, adjective, verb

Writing

We will write a narrative by changing familiar characters and events. We will be learning how to write fact files using paragraphing around a theme.

Key Vocabulary – adjective, noun, verb, adverb, instruction, narrative, character, plot

Maths

We will be using addition and subtraction skills to enable us to investigate questions involving measures. We will be exploring multiplication and division skills of the 2, 4, 5, 8 and 10 times tables.

Key Vocabulary – mass, capacity, length, multiple, groups of, shared, repeated addition

Science

We will be learning about the properties of solids, liquids and gases and the changing states including melting, cooling, condensing, freezing and evaporation.

Key Vocabulary – state, solid, liquid, gas, gravity, viscous, heating, cooling, melt, evaporate, condense, freeze, boil, temperature

Geography

Home learning – Go onto Google Earth to discover some of the mountains in different continents.

We will be learning about famous mountains, which continent they are in and where to locate them on a map. We will learn the differenec between a mountain and a hill, and explain how mountains, hills and coastlines are formed.

Key Vocabulary – continent, country, physical, human feature, mountain, hill, coast, tectonic plates, summit, face

Computing

We will be learning about Digital Writing, learning basic word processing skills, and how to manipulate text.

Key Vocabulary – keyboard, typing, bold, italics, underline, format

Music

During Y3, each class will be taught by a specialist teacher for one term; in the other two terms, they will learn singing techniques, ballads, pentatonic melodies and percussion taught by the class teacher.

Key vocabulary – rhythm, beat, tempo, pitch

RE

We will be developing our skills to enquire, communicate, apply, contextualise and evaluate around the concepts of love and imagery including Angels.

Key Vocabulary – image, create, affect

PDL

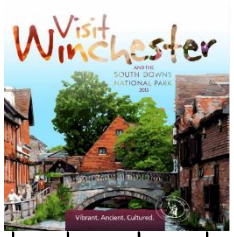

We will be learning about our relationships, including our families and people who care for us. We will understand how communities need rules, rights and responsibilities.

Key Vocabulary – family, relationships, friendship, opinion, beliefs, security, values

Home Learning Project

Design a poster advertising Netley as a great place to live! You could include local landmarks such as Netley Shore, Netley Ruins, the shops and the school. Use clear words to show how great a place it is, for example, the most exciting, the most beautiful, the most incredible. Here are two about Winchester:

All home learning projects will be shared week beginning Monday 14th December and CLICS rewarded for all your hard work.

Design Technology

We will be learning how to follow a recipe for a food technology project. We will practise safe chopping, slicing, grating, peeling and cooking hygiene skills.

Key Vocabulary – cut, slice, grate, chop, peel, bridge, clean, germs, produce

Spanish

We will be learning basic greetings, the numbers one to 10 and colours.

Key Vocabulary – uno, dos, tres, cuatro, cinco, seis, siete, ocho, nueve, diez

PE

Over the term, we will learn a range of progressive sporting skills within our games, dance and gymnastics lessons.

Key Vocabulary – balance, strike, push, rotate, pivot
